

Alpha Blu Day Cream

Our day cream is a moisturizing cream suited for all skin types. It provides hydrating power all day long. The aloe vera base creates a deep, hydrating moisture retention effect throughout the day, showcasing a youthful glow.

Alpha Blu Day Cream contains cytokines and proteins to support the improvement and firmness of skin while promoting elasticity and offering a natural boost to create a youthful glow. With regular use, the skin will look and feel renewed.

Product Differentiation

The Alpha Blu skincare line contains ingredients derived directly from ethically harvested adult human stem cells.
