

Alpha Blu Night Cream

Our night cream is a nourishing skin care treatment for all skin types that intensely hydrates overnight. Infused with Shea butter, it offers anti-inflammatory, emollient, and humectant properties providing skin with greater resilience.

Alpha Blu Night Cream contains cytokines and proteins to support the improvement and firmness of skin while promoting elasticity and offering a natural boost to create a youthful glow. With regular use, the skin will look and feel renewed.

Product Differentiation

The Alpha Blu skincare line contains ingredients derived directly from ethically harvested adult human stem cells.
